Dear Hiring Director:

This letter is to express my interest for the apprenticeship program. With multiple coding certifications and badges, also hands-on experience using HTML, CSS, JavaScript and React frameworks to create and implement web applications, I am confident I will be an asset to your organization.

I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as continuing to learn new languages and development techniques are important to me and the success of your organization.

Your listed requirements closely match my background and skills. A few I would like to highlight that would enable me to contribute to your bottom line are:

- Independent learner with a strong desire to grow as a developer
- Knowledge of JavaScript frameworks, package managers, and bundlers
- ITIL and ServiceNow fundamentals.
- Attention to detail and problem-solving ability
- Ability to analyze data and communicate ideas clearly

I've attached a copy of my resume that details my projects and experience in web development. I can be reached anytime via my cell phone, 317-460-3306 or via email at derekblack94@yahoo.com.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Sincerely,

Derek Black
